Cabinet With Locking Door

This S19109 cabinet has a lockable plastic door that provides a tamper-proof area for storage of valuable and more sensitive optical components. While the lockable door is not intended to secure optics from theft, it will help to keep optics out of easy reach.

ITEM#	\$	£	€	RMB	DESCRIPTION
S19109	\$ 120.00	£ 75.60	€ 111,60	¥ 1,146.00	9-Drawer Locking Cabinet

Organize Your Lab

These heavy-duty storage cabinets feature sturdy welded steel frames and durable plastic drawers. These cabinets can either be mounted directly onto a laboratory wall or stacked; four small feet on the bottom of each cabinet fit snugly into matching receptacles on the top of each cabinet. These cabinets provide ideal storage space to protect valuable optics and mounts.
